

**BLITZ** - This 45 minute circuit program will fire you up! It's you against the clock as you move through stations that challenge your strength, stamina and cardiovascular system. If you're short on time and need a total body workout, this is for you!

**BODYATTACK** - This high-energy interval training class combines athletic aerobic movements with strength and stabilisation exercises. Build speed, endurance, stamina, coordination, agility and overall fitness to improve your fitness and lifestyle.

**BODYPUMP** - The original LES MILLS barbell class will sculpt, tone and strengthen your entire body, fast! Focusing on low weight loads and high repetition movements, you'll burn fat, gain strength and quickly produce lean body muscle conditioning.

**BOX** - Boxing reins supreme as one of the best all-round workouts, incorporating strength, conditioning, coordination and stamina. Plus, it's FUN! Inner gloves and wrist wraps are recommended (available from reception). BOX30 is a 30 minute class.

**CORE** - Forget sit-ups, this is the ultimate abs class. Your instructor will be focusing on functional core exercises to improve tone, strength and mobility in your abdominal and back muscles. 30 minute class.

**H.I.T** - High Intensity Training. An intense fitness class utilising a variety of techniques and equipment, involving sports drills and more. The ultimate in body conditioning. H.I.T-30 is a 30 minute class.

**MMAX FIT** - Is a unique and addictive full body workout based on a non contact combative concept. A combination of mixed martial arts moves and fitness drills using mits and kick shield, get ready for muscle burn and an elevated heart rate to build functional strength, speed and endurance.

**PILATES** - Traditional matwork exercises developed by Joseph Pilates, focusing on body conditioning and postural alignment for strong core and stabilising muscles. All levels.

**REVIVE** - This class is designed for over 55's to improve overall fitness with an emphasis on cardiovascular fitness, muscle strength, balance and mobility.

**SPIN** - Bringing the outdoor elements into our indoor cycling studio. Benefits include aerobic fitness, calorie burn, lower body strength and tone. Suitable for all fitness levels! 45 minute class. SPIN XPRESS is 30 minutes.

**SUPER CROSS** - Where no two workouts are ever the same, this ultimate fitness class incorporates resistance and conditioning drills in structured sets against time.

**TABATA** - Need a short yet effective workout? Use your body weight and small props to plow through four-minute rounds of 20 seconds work with 10 seconds rest. Scientifically proven to get you results. 30 minute class.

**WOD-25** - Work Out of the Day. 25 minutes of intense functional full body exercises incorporating equipment such as Battle Ropes, TRX, Plyometrics and much more. (Restriction of 10 per class)

**YOGA** - A Yoga class for all levels. Experience flowing and dynamic postures with a focus on breath control, strength, balance and flexibility to condition your body and your mind. Our Yoga teachers are experienced in various styles including Ashtanga, Iyengar, Hatha and Vinyasa Yoga.

**STRONG BY ZUMBA** - A high energy workout combining body weight, muscle conditioning, cardio and plyometric training moves perfectly synced to the greatest Zumba beats.

**REFORMER PILATES** - A 50-minute class using reformer Pilates machines - great for increasing strength, postural alignment, developing strong core and improve overall body movements and function. Fees apply and bookings essential.

**STEP** - A high energy workout utilising a height adjustable step combined with movements over, on and around the step will push muscle toning and cardio systems to their limits. Looking for a class to tone legs and your backside? Step will shape your body to new limits by combining interval and circuit training.
